

Troop 33 2018 Camping & Adventure Interest Form

One of the goals of Troop 33 and Scouting overall is to provide the scouts with opportunities to experience a variety of outdoor excursions. Below is a list of our planned events for 2018. To help us prepare and plan, please indicate "yes or no" if your Scout is interested in attending these events. Understanding interest levels will help us be more efficient in planning / organizing these events for the year. This is not a commitment to attend.

PARENTS: These events do not happen on their own. It takes a lot of volunteers to make the scouting dream a reality. If you are willing to assist in helping coordinate one or more of these events, please indicate so above. Helping with an event does not require you to attend. Many thanks from Troop 33, the planning committee, and the scouts.
